

# [Meeting Notes] PeeringDB Outreach Committee

**Date:** 4th August 2020

## **Attendees:**

- Ben, Bijal, Greg, Rebecca

## RIR Infographic

Discuss on the call regarding the infographic and merits of continuing to update this. Agreed not to update further and will incorporate changes into future versions. Greg to advise Ruth of no further development required for this version.

## Videos

Video progressing and team looking forward to seeing the outcome - expecting in the next month.

## YouTube Channel

YouTube channel created and being linked from the PeeringDB site. First content to be identified.

## Workshop Training and future events

Ben to finish and share an updated Workshop deck and will contact Sally at ISOC about collaborative event[s].

Situation still very unclear for events into 2021, with various government restrictions both on travel and group sizes that can meet.

## OC Charter

Feedback from the board about wanting to use consistent language with regards to member selection; once we have this charter will be updated and re-reviewed prior to being published.

## AOB

None.
