

[Meeting Notes] PeeringDB Outreach Committee

Date: 1st March 2021

Attendees:

- Ben, Bajal, Inga, Rebecca, Yana

Events

The team spent some time discussing events for this year and what would work best whilst events are still virtual. The following was agreed

- Hold our own Virtual Event, focusing on:
 - Common questions the AC receive
 - Workshop on how to use PeeringDB
 - Run two sessions to try and cover as many time zones as possible
 - Date selected 6th May
 - Target focus on Africa and LATAM regions
- Actions for this are:
 - Liaise with the AC for common questions
 - Produce Infographic and call for questions
 - Start to advertise the event in April as the content comes together
 - Confirm platform and presents

Other Website Content

- Noted First How To was published (<https://docs.peeringdb.com/howto/get-started-operator/>)
- Discussion on listing tools created in the community on the PeeringDB website; agreed this would be positive to do

PeeringDB Birthday Graphic

Greg shared in advance that the PeeringDB Birthday Graphic is ready and this will be posted to social media on the 15th March

AOB

Team talked about ways to communicate other than Email and Slack; agreed to setup a WhatsApp Group

Date of next meeting: 5th April 2021
