

[Meeting Notes] PeeringDB Outreach Committee

Date: 6th July 2021

Attendees:

- Ben, Greg, Leo, Rebecca. Yana,

Wikipedia Article

- Discussed the PeeringDB Wikipedia article needing update:
<https://en.wikipedia.org/wiki/PeeringDB>
- Leo will create a Google Doc with the current page and share for review/updates
- Agreed for changes to be made using a OC Wikipedia account, Ben to create

Documentation Framework

Leo provided an update on the work around getting documentation framework in place

- Noted this was the highest priority user survey
- Four contractors being reviewed for delivering the work
- Intended outcome by end of September
- Should have the framework in place
- Allow us to reach out to technical writing teams that make use of PeeringDB and volunteer someone to write article
- Discussion on documentation Platform - current and future
 - Pros/Cons of a separate platform for documentation

Carrier Object

- Sessions across two zones coming up for discussing carrier object
- Opportunity for community input

None

Date of next meeting: 7th September 2021
